For our guests with food sensitivities, allergies or special dietary needs: we prepare and serve products that contain all 14 major allergens.

Although we and our suppliers take every care in preparing your meal, regular kitchen operations across our supply chain involve shared cooking and preparation areas, and food variations may occur due to ingredient substitutions, recipe revisions, and/or preparation at the restaurant. For these reasons, we cannot guarantee that any menu item will be completely free of allergens. Please ask to speak with a manager if you have any queries about any dietary or allergen requirements.

We apply a discretionary optional 8% service charge to the bill for parties of 6 or more. 100% of all service charge goes to our staff.
